All,

We got our first set of PFAS results back...they are greater than the drinking water standards. Any comparison values for PFAS surface water for recreational use??

Thanks, Bob Allen

Jon,

Do you all know when the PFAS analytical will be available?? Any comparison values for PFAS surface water??

Thanks, Bob Allen

The table has been updated for the non-PFAS compounds.

All,

has this Spread Sheet been updated?? Also do you all come up with a health-based comparison values for these chemicals?

Thanks,

Bob Allen
